

SLEEP OUT FAQ

FRIDAY 2nd DEC 2022

What is the purpose of the Sleepout?

This is not about replicating homelessness. Firstly it is about raising awareness of the injustice of someone having to sleep on the street. Secondly it is to raise vital money for the work of GrowTH, which provides a night shelter for seven months of the year with resettlement support and supported housing.

How can I raise sponsorship?

This year, GrowTH is participating in the Big Give's Christmas Challenge, so participants can either use GrowTH's Big Give Campaign link to receive donations, or can set up their own fundraising page (which we will provide instruction for). We ask each participant to raise a minimum target of £250.

When should I arrive on the day?

The event begins at 7pm. Please do aim to arrive on time to enjoy the full experience of the evening. On arrival, please report and sign in with the GrowTH staff.

What is planned during the evening?

There will be a simple dinner served outside during the evening, along with hot and cold drinks. After dinner, we will hear from some previously homeless guests about their experience of rough sleeping. There will be breakfast on the Saturday morning in the barge, with time for reflections and feedback.

Where will I sleep?

Participants will sleep on West India Quay, next to St Peter's Barge. We will provide cardboard to sleep on. The Barge will be open throughout the night for toilets and drinks.

What do I need to bring?

It is very important to come prepared for the cold and/or wet conditions. We recommend that you bring: preferably, a 3 season sleeping bag with a hood; sleeping mat (either foam or air); waterproof cover (bivvy bag, tarpaulin) as this will keep off rain and condensation; pillow; several layers of warm clothes (e.g. leggings, waterproof coat, good shoes suitable for the outdoors (especially for wet and cold weather), a warm hat, gloves, multiple socks. (No stereos or tents please).

Will there be refreshments and toilet facilities?

Free hot and cold drinks will be available throughout the event in the Barge, which will remain open. A hot dinner and breakfast will also be served. Toilets will be available throughout the night.

What security will be available?

Marshals will be awake and on duty throughout the night. The sleeping area will be fenced off with plastic mesh.

What happens if there is severe weather?

If there are severe weather conditions, we will go inside St Peter's Barge. We are not trying to fully replicate homelessness and want to ensure the safety of all those involved.

What time will the Sleepout finish?

Participants will be awoken around 7am on Saturday 3rd December. Following a breakfast and time of reflection, participants will be asked to help tidy their away cardboard beds. The event will formally finish at 9am.
