## ABOUT

GrowTH is a non-denominational Christian charity, which works in partnership with evangelical churches from a variety of backgrounds within the London Borough of Tower Hamlets.

GrowTH seeks to share God's love with its homeless neighbours in word and deed. So, alongside receiving practical care and help, all GrowTH guests have the opportunity to hear the good news of Jesus and to explore the Christian faith, if they wish.

GrowTH, has three main projects currently up-and-running, with a fourth on its way:

- **GrowTH Night Shelter:** provides volunteer-run winter shelter in Tower Hamlets. Homeless men and women are referred to GrowTH by local homeless agencies. Once accepted into the shelter, guests receive a warm welcome, a hot evening meal, a safe bed for the night, and breakfast in the morning. The resettlement support there provides every guest in the shelter with one-to-one support from GrowTH's two Advocate Workers to help them move out of homelessness, with the aim of resettling them into stable accommodation.
- **GrowTH Housing:** provides temporary (twelve-eighteen months) move-on homes locally for some who have stayed in the shelter, in order to help them transition towards independence. This project provides affordable accommodation, plus tailored support from the GrowTH Housing team. We are expanding from 15 to 30 residents in the new few months.
- **GrowTH Day Centre:** provides a safe space for guests to meet with the staff team for advocacy and support meetings. There is also space for shelter guests to relax, and ample opportunities for both staff and volunteer-led evangelistic events, as well as prayer ministry.
- **\*NEW FOR 2024\* GrowTH Community House:** a residential home for men. The house provides an opportunity for men seeking a fresh start to confront deep rooted issues impacting their lives, within a safe, loving, disciplined and family environment.
